

LIVER CAKE RECIPE

- 1 lb of liver (lambs is best)
- 8oz S.R. flour (approx.)
- 1 egg
- 1 tbs. cooking oil
- 2 tbs. water
- Garlic (optional)

Liquidise the liver with the egg, oil & water. Mix with the flour to a dropping consistency and bake in a greased tin as a sponge. Dogs prefer it slightly undercooked. Will keep in the fridge for up to a week and freezes well.
